

# David Vazquez

Venice, CA, 90291 | 310-210-6494 | d.vazquez0822@gmail.com | [GitHub](#) | [LinkedIn](#) | [Portfolio](#)

My journey in the worlds of the military and hospitality industries has helped me cultivate a coding philosophy that emphasizes writing clean, functional code that provides a fun and user-friendly experience. My experience in those fields as well as my love for all things tech, drives me to keep learning for ways to keep improving my coding philosophy.

## SKILLS

- **Programming Languages:** JavaScript, Python, SQL, CSS, HTML, React, MongoDB
- **Platforms and Frameworks:** Node, RESTful APIs, Express, Mongoose, GIT, Postman

## RELEVANT EXPERIENCE

### **Software Engineering Immersive | General Assembly** | Remote | Aug- 2022 – Nov- 2022

Successfully completed 500+ hours of expert-led instruction on most contemporary front and back end programming languages, tools, and methodologies and hands on learning of JavaScript fundamentals and the industry's most in demand technologies. Developed projects, including:

- Know-Your-Pop: Built with JavaScript, HTML, CSS [[GitHub Repository](#)] - Trivia game on pop culture
- Pow-Bang-Swoosh : Built with JavaScript, HTML, CSS, MongoDB, ExpressJS, NodeJS, Google Oauth [[GitHub Repository](#)] - A review/collection site for comics and manga
- Gathering-Magic: Built with JavaScript, HTML, CSS, React, MongoDB [[GitHub Repository](#)] - Full stack application designed to let user build their own magic decks
- Headphone Collector: Built with Python, Django, HTML, CSS [[GitHub Repository](#)] - Site made to showcase my Python and Django capabilities

### **Guest Service Supervisor | Shore Hotel** | Santa Monica | Aug-2019 – Jun-2022

- Filed incident reports and handled inappropriate behavior of guest and guest service agents
- Monitored guest satisfaction to recognize trends and help create action plans to improve guest services
- Supervised a team of 15 guest service employees
- Trained over 10 guest service agents to provide an exceptional guest experience to increase/maintain Tripadvisor rank

### **Front Desk Agent/ Night Audit | Sea Blue Hotel** | Santa Monica | Jul-2012 – Jul-2019

- Audited all third party reservation in over 5 extranet sites to ensure all payments are accurate
- Delivered exceptional guest service experience to help increase Tripadvisor rank
- Built a network of fellow night audit agents in the area to ensure overbookings had a place to stay

### **Terrain Analyst | US Army** | Jun-2006 – Jan-2011

- Implemented classified imagery and data to create detailed custom maps which helped the commanding staff with planning
- Maintained military standards in all aspects such as fitness, uniform presentation and weapons proficiency
- Obtained Top Secret STI clearance, which allowed working in a classified environment

## EDUCATION

**General Assembly | Software Engineer Immersive** | Remote

**High School Diploma | Venice High** | Los Angeles
